

Dear Parents and carers,

Today we held our elections for the prestigious posts of school and eco council. The children worked hard to get through to the final votes and had to stand up and deliver speeches in front of the whole school. Although it is not quite as important as the Scottish Referendum, it is a big deal in our school! The staff and I are incredibly proud of the children who took part. Their maturity and bravery shone through and they all made some excellent points in their speech.

Information

Macmillan Coffee Morning

We are hosting a coffee morning for Macmillan on 26th September at 9.30am - 11.30am.

The children have been asked to come in non-uniform on Friday and in return donate cakes to school. These can be left in the classrooms or in the hall. Parents, grandparents, aunties, uncles and friends are all asked to come and join our coffee morning and buy a cake (or two) and enjoy a tea or coffee with the children and staff. Last year we raised over £400 during this event - I'm hoping we can do just as well, if not better, this year! If you are not able to make it, please give your child a little money so they can still buy a cake and join in.

We will be hosting the morning in the hall and the 2 top site class rooms. If any parents are around before school and just after drop off to help set out cakes, we would really appreciate the help. The main letter about this event has been sent by Parentmail and is available on the website.

Monday Meeting

The first Monday Meeting of the year is this coming Monday. Please use this bi-weekly opportunity to pop into your child's class after school and have a look at their work. Doors are open for everyone.

Shenfield High School

Shenfield High School has asked us to include the following in the newsletter:
