Dear Parents and carers,

I would like to welcome Corey Maison and his family to our school. Corey has joined year 3 in Willow class. Yesterday we received a letter from Ofsted outlining that the result of their interim assessment is that our school has sustained its good results and therefore they will not be carrying out a full inspection until summer term 2015. This is good news and is a reflection of the hard work carried out by the teachers and children.

Celebrations

Star of the Week

Acorn Class: Lexie Knight

Chestnut Class: Louella Heaslip

Willow Class: Eva Harrison

Oak class: Beata Danilevskaya and Adam Thomas

Golden Tickets this week were received by Nathan Humphreys, Kiaan Shoria-Taylor, Charlie Duff, Henry Payne, Henry Bull and Bobby Moore.

They painted some African masks with Mrs Obank.

Oliver Bailey in year 6 has had some good news too. He has been chosen to join the GB junior team in Jujitsu. In assembly today he demonstrated some of his skills.

Information

Gymnastics Club

Gymnastics club is on a Thursday evening after school at the same time as tennis. We will do our best for the club to go ahead each week, however in case of bad weather the club will still continue but your child may take part in different activities ie, dance or speed stack as the hall may be used by the tennis coach. Many thanks for your understanding.

KS1 SAT's

These take place next week for year 2. The children have assessments in reading, writing, spelling and maths. Please make sure your child has early nights, is calm and eats a good breakfast!

Child Exploitation and Online Protection (CEOP) Parents meeting

A trained specialist has been booked to present information and advice to parents on online safety. This is 21st May at 5.00-6.30pm.

This is a current issue that can affect all children and parents. This training session will give you an advice and ideas on how to be aware of what your child can access online. I have been warned that some of the content is quite hard hitting. Although aimed at parents of older children in KS2, I would recommend that all parents in school attend as younger children have more and more access to the internet through the use of iPads etc. The training will also be given to staff and year 6 children on another date.

I will be sending a letter with a reply slip nearer the date.
