

Dear Parents and carers,

What a great week we've had. The ducklings have made everyone smile and we've been so lucky to see them hatch. The children have participated in Cross country and netball events and everyone took part in a super sports relief challenge. We are all very proud of them this week.

Cross Country Races

On the 15th March we went to cross country. It was at Thorndon Park and there were lots of other schools there too. We started to train straight away. Before we knew it, it was time for the first race. We all cheered everyone on. It was very nerve racking but we did very well. Each group had a different race. We all did very well and our sportsmanship was excellent.

Sport Relief

On Thursday there was a race for charity, Sports Relief. We had to walk or run but in a silly way. We could wear our own clothes or something red. The goal was to run a mile or more. It was fun and exhausting but we all did very well.

Ducklings

Most of our eggs have hatched and we have 11 gorgeous ducklings in school, six at the top site and five in KS2. We have been lucky enough to stroke and hold them and we are looking forward to teaching them how to swim next week! Please pop into the classrooms to see them.
