

Dear Parents and carers,

As you will be aware the school organised a fully trained CEOP presenter to talk to the children and parents regarding internet safety and playing on games consoles. A number of the games which children are talking to us about, across the age ranges, are games which are suitable for 18yrs and over. Please ensure that the content of the games that your child is playing are age appropriate. There are a number of social media applications which are also age restricted e.g. Instagram, Facebook, Vine please ensure you are aware of any sites that your child may be accessing; and appropriate privacy settings are established for your child's safety

Thank you for your continued support
Iris Cerny

News

SATs week – 11th May 2015

We will be providing breakfast for all year 6 pupils during SATs week. The breakfast will be at 8.00 and will be provided in the hall. (There will be no cost for Year 6 breakfast)

Reading Books

If you have more than one school reading book at home please could you return the additional books.

Warm Weather

Please could you supply your child with a hat / cap to wear at playtime and lunchtime. We would ask that the Cap /hat has no inappropriate sign or 'logo'

Information

Outside play equipment

Please be reminded that the children are not to play on the outside equipment before or after school. The play equipment is only for use during school when it is supervised. Thank you.

Dogs

Dogs are not allowed on school site. They must be kept on a lead and in front of the main gates.

Collection after school at bottom site

We are having few issues with parents not entering the school playground to collect their child and waiting the other side of the gates. We ask only if you have dogs that you stand that side and your child will be sent to you. All other children need to be collected by the back door from the playground so that staff can make sure they are collected and taken home safely.

If your child is going home with another child we must be advised as we will not allow children off site with another parent unless we have been notified.

Year 6 children are the only year group that have permission to leave site unaccompanied by an adult as long as written permission has been received.
