## Information

### Uniform

School uniform enables our school pupils to feel part of their community and it is important that pupils wear the correct uniforms. The Governing body have a duty to provide best value and options for uniform purchase. This was recently reviewed.

The current supplier will still be offering uniform. However, as a parent you may now choose to purchase school embroidered items through Tesco at [www.uniformeasy.com](http://www.uniformeasy.com).

The school will receive 5% of school uniform sales to help school funds. If you would like to purchase through this scheme please register at <http://uniformeasy.com/>

When the uniform options go live you will be contacted. Our uniform is grey trousers and skirts. White shirts and ties for KS2 and white polo shirts for KS1. We ask that the children wear bottle green jumpers and cardigans. In the summer girls may wear checked summer dresses. Black school shoes are the only footwear to be worn. Please ensure the uniform bears the school logo where possible.
