

Dear Parents and carers,

I have managed to speak to a number of families at the start and end of the day; and want you to know that the support that you give to your children and to the school is much appreciated by the staff. The children continue to be a credit to the school and visitors comment on how polite and well behaved the children are. We all feel very proud of the school and the achievements of the children.

Thank you for your continued support. Iris Cerny

Information

Creative Writing

We attended a creative writing literacy workshop at Ingatestone Juniors. Everyone was very kind and welcoming. We were taught lots of ways to improve our writing and couldn't believe we were taught by a professional author Charlie Carrol. He writes books that are non fiction. You can go to www.lendmeyourliteracy.com to view our work.

Alice Kerby and Roxy Thomas

Christian Value Blog

This terms Christian Value is compassion. Please remind your child to add a contribution to the blog.

Half term homework

All children in Chestnuts, Willows and Oaks have been set a half term homework task. Please encourage your child to ensure this is completed ready to be handed in during the last week of term. We are expecting all children to hand their homework in and look forward to celebrating their hard work. Thank you very much for your continued support.

News

Homework Club

Just a reminder that Homework Club is in place to support children with their homework. Children attending Homework Club will not receive additional work, they will complete homework that has already been set. If your child has already completed their homework please do not send them along. Thank you.

Parking

Please park responsibly when bringing your child to school or when collecting. There have been a number of 'near miss' incidents recently as a result of irresponsible and illegal parking. Please remember it is illegal to park on the yellow zigzag lines outside the school and this is patrolled regularly by traffic wardens.

Weather

As the weather has turned cold please ensure that your child is sent to school with coats and gloves.

Please take care when walking up the lane and across the playground on frosty mornings as the paths can become very slippery.

Netball club

Netball club starts on Monday please ensure your child has warm outside clothes as the class is always outside.
