## News

### Sports Morning

Yesterday's sports morning was a huge success. The children participated brilliantly (despite the heat) and were a credit to the school. Every child demonstrated superb team work, especially the older children who supported the younger children well and the sportsmanship was excellent. I would like to congratulate the house captains for each team who led their group around the activities sensibly and with care. Thank you to the parents for joining us. I hope you had a fabulous morning and enjoyed your lunch! More photographs are on the gallery page of our school website.

### Summer Fete

The summer fete organised by the FOM's raised £1900 which is an amazing achievement. Thank you to everyone who came and spent their money to support the school. Without the dedicated volunteers we would be able to have a fete, it takes a lot of organising. The staff, children and I appreciate all the hard work that the FOM's put into the fete. I would like to thank Wendy Neale in particular for all her efforts as it is her last year with us. I did give her a special gold medal yesterday during sports day, but she was hiding at the end and I couldn't present it in front of everyone!

### Celebration Afternoon

This is being held on 10<sup>th</sup> July from 1.30pm. Parents are invited in to the classrooms any time between 1.30pm and 3.30pm to see their child achievements over the year. Once you have visited the classroom and seen your child's work, they may go home with you. The teacher's will be in class for you to chat to.
