

Dear Parents and carers,

I am sure that you will agree that this half term has passed very quickly, the children have been working hard, and are a credit to the school. It was really good to see parents at the CEOP training this week, we hope you found it informative. We are always happy to have parents support in school e.g listening to readers. If you do have a spare hour we would love to hear from you.

Thank you for your continued support. Iris Cerny
