

Dear Parents and carers,

Book week has been very successful, thank you to those parents who gave their time to support the reading events. The character costumes were really inventive and the children looked spectacular. On Monday we will be announcing the winners of the reading week projects. The children would like to thank Mr Papworth a school Governor, who has donated a considerable number of new books to the school. The school will also be providing each child with a book to celebrate their efforts in reading.

Thank you for your continued support,  
Iris Cerny
