

Dear Parents and carers,

As you have probably all heard by now Mrs Obank gave birth to a beautiful baby girl Phoebe Ann on 30th December weighing 7lb 1. We are all delighted for her and look forward to her coming into school very soon.

I feel very privileged to be looking after your School and working with the children in the absence of Mrs Obank and look forward to meeting parents as the term progresses. Thank you for your continued support. Iris Cerny

Information

Walking down the lane

Could parents of children in Acorn and Chestnut class please make sure that their children walk down the lane with them at the end of the day and not run ahead. We do not allow the children to run down the lane at all during school time without an adult in case of accidents, and would appreciate your support with this after school.

KS2

School starts at 9am and children can enter the classroom at 8.45am for early morning work. Please support us in keeping your children safe by ensuring that you bring them into the school playground and supervise them until the school is open. A number of families are dropping children off at the gate and leaving them unsupervised.

News

Sad News

We have had some sad news that Reverend Francis Drake passed away in hospital last week. Our prayers and thoughts are with her friends and family. For those of you who knew Reverend Francis and would like to pay your respects the funeral is on Saturday 24th January at St. Thomas, Navestock at 12 noon. Parking is limited.

Clubs

All clubs start next week with the exception of Netball as the coach is on holiday. This will start on Monday 26th January for the 10 weeks. Please make sure you make payment for any outside clubs to the coach on the first session.

If your child has applied for a club you will only hear from us if they do not get a place.

Weather

As the weather has turned cold please ensure that your child is sent to school with coats and gloves.

Please take care when walking up the lane and across the playground on frosty mornings as the paths can become very slippery.
