14th January 2015

Dear Chestnuts!

Your project this half term is **to investigate a British bird.**

There are all sorts of questions that you could try and answer:

- What is its diet?
- Where does it live?
- Does it migrate during the winter?
- What does it look like?
- How many eggs does it lay?
- Can you see this bird around Mountnessing?

It is up to you to decide how to present your project. I am looking for lots of detail, and super presentation, but it does not have to be printed on a computer! The deadline for handing in your project is **Monday 9th February**. The projects will be shared with the rest of the school during the week, so make sure that you can talk about what you have discovered and share the information with the rest of the school.

If you have any questions about the project, then please come and ask Mr Milligan.

Mr Milligan

Class Teacher
