Is your child starting school in September 2019?

Our open mornings will be on
Monday 29th October and Wednesday 31st October 2018

9.00am – 10.00am

10.00 – 11.00am

11.00 – 12.00am

Please choose a time slot and visit with your child. The visit will provide you with a chance to see what our children enjoy, join in with some activities, have a look around our school as well as speak to the head teacher and class teachers.

At Mountnessing C of E Primary School we aim to provide a broad and balanced curriculum which will enable each child to develop emotionally, socially, physically, creatively, and intellectually to their full potential and at their own pace. The Foundation Stage is a unique and important educational stage in children's first year of school. We follow the Early Years Foundation Stage profile which is based around play. It recognises that children between the ages of four and five need to learn in an active, relaxed environment which allows them to learn through discovery and play. Our small class size ensures all children make good progress and have a personalised learning experience.

To ensure a place at an open morning, please inform our school office of your intention to come.

We can be contacted by ringing [01277 353160](tel:01277353160) or emailing admin@mountnessing.essex.sch.uk

We welcome visits to the school at any time, so please ask if you would like a tour from the head teacher before or after the open days.
